“Teach golf, teach life.”

The First Tee Teaching Philosophy:

The First Tee program is participant based and activity centered. Participants are constantly engaged in activities in a safe, fun arena where exploratory learning is encouraged. “Let the kid figure it out” is our best approach to facilitating learning.

The First Tee Curriculum:

We are a character education/youth development program whose core curriculum focuses on a set of Life Skills, Nine Core Values and Nine Healthy Habits. Golf instruction is secondary in our curriculum. We are most interested in building good character: better kids are more important to us than better golfers. Our Code of Conduct at The First Tee is respect; and this concept, as well as the Life Skills, the Nine Core Values and the Nine Healthy Habits are seamlessly woven into every session we facilitate.
